Hampton Court Palace was originally built by Cardinal Wolsey, who gave it to Henry VIII. It was a Royal residence until the reign of George II., since when the private rooms have been apportioned to certain ladies as a place of residence, and the State rooms thrown open to the public. The gardens are very extensive, and include the well-known Maze and the famous Giant Vine planted in 1768.

I do not think you have one like this in your collection, isn't it pretty? I should like to be here; this fine weather.
